

Title: Device For Processing A Daughter Product  
Serial No.: 10/015,338  
PRELIMINARY AMENDMENT

### REMARKS

This Preliminary Amendment is submitted amending claim 1 and adding claims 2-63 which were not previously submitted with the original application. These claims are completely supported by the specification as written. Thus, no new matter has been added and the specification, as originally filed, reasonably conveyed that the inventor had possession of the claimed subject matter to one of ordinary skill in the art. In re Kaslow, 217 USPQ 1089, 1096 (Fed. Cir. 1983). A check in the amount of \$774 is enclosed for payment of fees for the new claims submitted herein. However, please charge any additional fees, or credit any overpayment, to Deposit Account No. 11-0855.

Respectfully submitted,

Michael K. Dixon
